

# AURORA PUBLIC SCHOOLS

## Help Keep us Pest Free!

## IPM

Integrated Pest Management is an effective, environmentally sensitive, and health conscious approach to pest management.

IPM treatment options vary from sealing cracks and removing food and water sources to pesticide treatments when necessary.

## Classrooms

- Use sweeper immediately after breakfast in classroom
- Clean up spills immediately
- Use strainer when dumping food in sink - NO SOLIDS in drain
- Rinse sink for 5 minutes after dumping milk
- Dispose of waste properly - only recycles in recycle container!

For more information, please contact Custodial Operations at X28678
